*“Faith is to believe what you do not see;
the reward of this faith is to see what you believe.”*

– Saint Augustine of Hippo

Dear Sisters and Brothers in Christ,

This quote from Saint Augustine summarizes his early years in Carthage. His trust rested with science, with things he could explain. Only later in life after he had embraced the Gospel did he recognize Jesus Christ as the only truth and salvation.

For me, my trust and love in a faith I cannot see but believe in so deeply is what brought me here to northeastern Wisconsin. Although I miss my friends in Wyoming, I recognize as Saint Augustine recognized that the Lord has a plan for each of us. What a wonderful blessing God’s calling has been for me.

Our Diocese has been blessed to have excellent leadership over the years, especially in the Catholic Foundation. I am most grateful for the work that has been done by Bishop Robert Banks, Bishop David Zubik and Bishop Robert Morneau along with the three presidents of the Foundation. It is obvious to me their love of the Church and their special calling to Stewardship as a way of life.

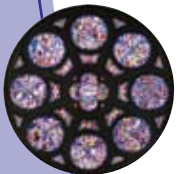

As stewards each of us is called to spend some quiet time in prayer, sharing talents through service to our sisters and brothers and offering back to God those financial gifts He has blessed us with so generously.

As you read through this annual report, please consider how you might be able to get involved. Whether it is praying for the success of the Foundation, supporting the Foundation with a gift to the Leadership Society, or remembering the Church in your will. Thank you and may God bless you and your family and reward you for the faith we believe in.

Sincerely yours in Christ,

A handwritten signature in black ink that reads "David L. Ricken". The signature is written in a cursive, flowing style.

The Most Reverend David L. Ricken, *DD, JCL*
Bishop of Green Bay

Dear Friends,

Our hearts are full of gratitude as we reflect on the blessings of the past year. 2008 held a few changes for us! First and foremost, was the appointment of our new leader, Bishop David Ricken. When he joined us in August, it was to Shepherd a much larger group of people than in Wyoming. We look forward to this new adventure with Bishop Ricken, as he enjoys meeting the faithful throughout the diocese.

During 2007-2008, donors established new endowments worth almost \$3 million. A fund was also created to honor the memory of our first President, Donald J. Long, Sr. who passed away in May, 2008. The "Leadership Legacy Fund" will ensure the financial stability of the Catholic Foundation far into the future.

In 2007-2008, more than \$1.7 million was distributed to a wide variety of parishes, schools and other Catholic and community charitable organizations. Each year through our grant making process we have the privilege of helping many worthy causes. This year through a donor advised fund we were able to fund a two year Pastoral Leadership program to help new Pastors and Parish Directors learn the practical side of parish work. Later in this report you will see a program funded by one of our grants providing support for caregivers with respite care from their responsibilities for a few hours. Much needed tuition assistance for needy families was provided through various designated funds. These are just a few examples of the types of help given through the Catholic Foundation.

We are fortunate to have generous donors like you who stand ready to help more people each year through your charitable contributions. We realize the economy is having an adverse affect on many people. This will mean more hardships for people than in previous years. We ask you once again to help us feed the hungry, clothe the poor, and help share God's love with thousands. If you are able, please prayerfully consider joining the Leadership Society, starting a family fund or adding a gift of any size to one of our existing funds.

Thank you for the confidence you have in our Catholic Foundation and the faith you demonstrate in our Church of Green Bay. May God bless you and all those whom you love!

Sincerely,

Bob Endries Cindi K Brawner

Leadership Society

The Catholic Foundation was established in 1997, to encourage financial stewardship and generosity in an accountable, stewardship-minded way; always faithful to the Church's mission by providing a faith-based avenue for giving.

Accomplishing this mission happens in a big way through the support of the Catholic Foundation Leadership Society. This is a unique opportunity for people who believe in the work of the Foundation to invest in its growth.

The Society provides funding so the Foundation can increase its presence throughout the Diocese. This in turn allows the Catholic Foundation to connect donors with projects that impact parishes, schools, the Diocese and Catholics throughout the Diocese.

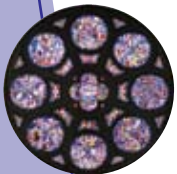

You can become a member of the Leadership Society by investing \$1,000 annually. Your investment will help nurture the God-given potential of the people throughout the Diocese.

The Leadership Legacy Fund

The Leadership Legacy Fund fund was established with generous memorial gifts from the family and friends of Donald J. Long, Sr., and it will be used to complement the work of the Leadership Society.

It shares a common purpose with the Leadership Society to inform and encourage people of all walks of life across the 16 county Diocese to consider leaving a legacy. Many people have remembered their parish, Catholic school, a diocesan ministry or other Catholic organization in their will and estate plans.

Please consider a gift to the Catholic Foundation Leadership Legacy Fund as you make your estate plans.

Bishop's Appeal

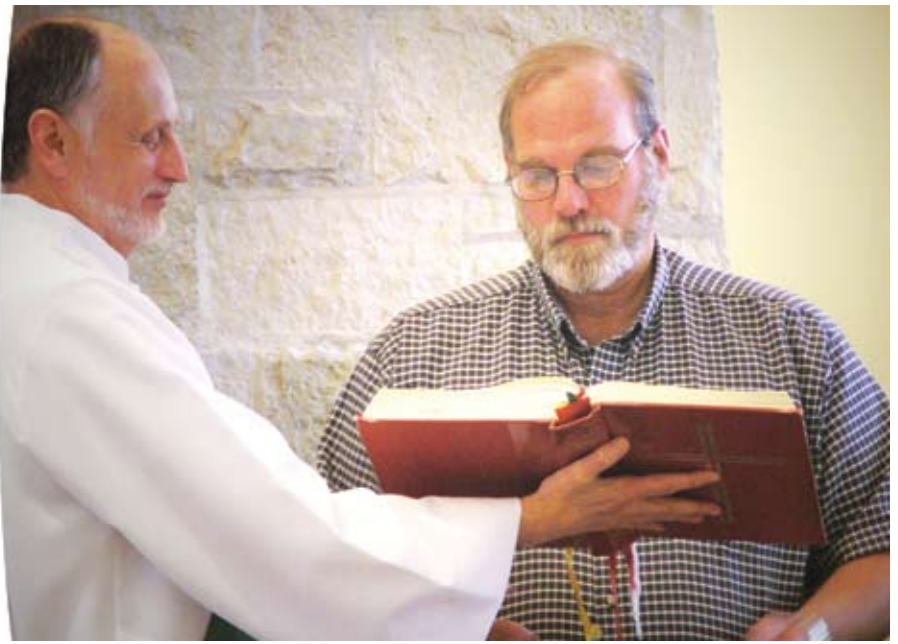

Deacons are sharing our faith everyday by working with parishes, families and communities throughout the Diocese! Through their time and talent they are able to assist the needs of our parishes in bringing Christ into our day-to-day world.

The Bishop's Appeal provides the funding for men to receive the training or formation to answer the call from God. The Appeal assists with this journey by providing continuing education and support needed for their ongoing ministry.

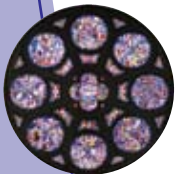

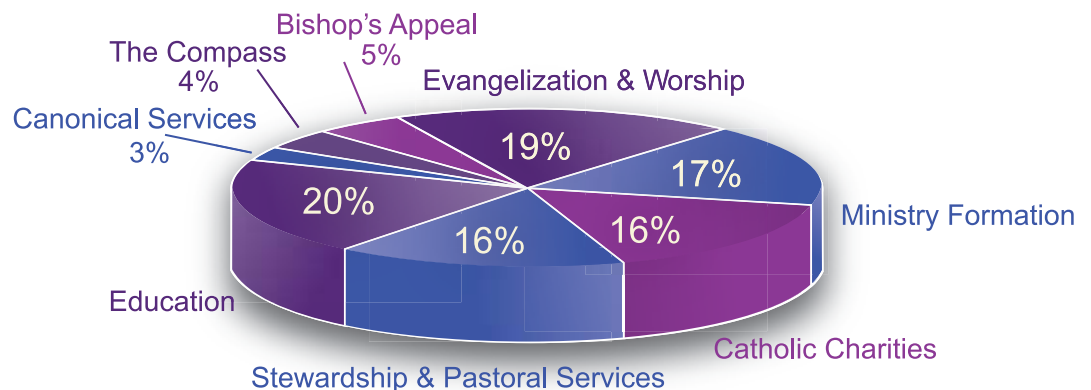

"Without the Bishop's Appeal, it would be difficult to have a quality formation process or to provide the support services needed for the diaconate program," said Deacon Paul Grimm, Diaconate department director.

Individuals who are called to serve in the diaconate commit themselves to a five-year formation program. This program supports and challenges them on their way to becoming ordained servants of God. Through the diaconate, the Church is able to reach out and serve the needs of all persons who come to live and worship in the Diocese of Green Bay.

Thank you for supporting over one hundred ministries of the Diocese that receive funding through the Bishop's Appeal.

World Missions

The Society for Faith and Children's Education (S FACE) was founded in 2006 with a focus on providing post secondary education to youth living in developing countries. June Ingold, Pastoral Associate and member of SS. Edward & Isidore Parish/Flintville, serves as president of S FACE.

Working through Fr. Savio Samala, S FACE is rooted within the Gospel message to "hear the cries of the poor." Gifts to this organization help fund tuition, room and board, and basic clothing to name a few. S FACE is just one of the many projects available through the Projects Available Booklet to help fund short-term missionary projects. This book is one of the many programs supported through World Mission Services that help empower people to overcome poverty and live a more dignified life.

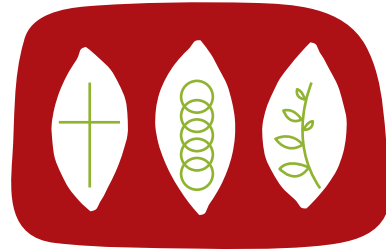

World Mission Services promotes the missionary spirit of the Gospel of Jesus Christ. These programs foster global awareness and encourage Catholics in their baptismal call to missionary activity.

Agencies represented and services available include:

- † The Pontifical Mission Societies
 - Society for the Propagation of the Faith
 - Holy Childhood Association
 - Society for St. Peter Apostle
- † Catholic Relief Services (CRS)
- † Projects Available Booklet
- † Mass Intentions and Memorial Cards
- † Resource information for short-term mission opportunities

Advancing the Mission

ADVANCING
THE MISSION

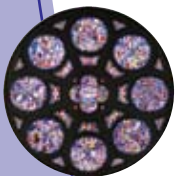

Thousands of people through the *Advancing the Mission* campaign have asked God what they should do to help their parish and diocese. What a response God gave them. As of June 30, 2008 the campaign has raised over \$37.8 million from almost 25,000 donors.

Half of what was raised will help parishes in the future through four endowments established within the Catholic Foundation to benefit Leadership Development, Life-Long Catechesis, Evangelization and Priestly Retirement Care. These endowments will begin to make grants in 2009.

The remaining half of the funds has already begun to make a difference in parishes throughout the Diocese. Here are just a few ways parishes have used campaign funds.

- † Youth Ministry, St. Kilian Parish, New Franken
- † Heating System Repairs, St. John The Evangelist Parish, Green Bay
- † Debt Reduction, St. Margaret Mary Parish, Neenah
- † Air Conditioning, St. Mary of Lakes Parish, Lakewood
- † Parking Lot Repairs, Ss. Joseph & Edward Parish, Wagner/Walsh
- † Faith Formation, St. Mary Parish, Menasha

Thank you for your support of the *Advancing the Mission* campaign.

Lumen Christi

Twenty years ago the Diocese of Green Bay was in a similar situation as we are today—just wrapping up the largest fundraising effort ever undertaken in our diocese.

In 1988, the Lumen Christi campaign had just been completed. It raised \$8 million in a relatively short period of time, and resulted in more pledges than any previous diocesan fundraising effort. The sole purpose of Lumen Christi was to benefit Catholic education throughout the Diocese of Green Bay.

Since 1988, more than \$11 million has been distributed from the Lumen Christi endowment funds (there are two separate funds which we refer to as Lumen Christi; one set up by a very generous donation specifically to be used for Catholic schools, the other the general endowment).

Since 1989 almost \$3.5 million has been distributed to parishes in the diocese for religious education programs. Generally a parish receives between \$750-\$1000 per year. Also, each Catholic school in the diocese receives a per capita amount for each student each year. More than \$5.4 million has been given to Catholic schools since the first distributions were made.

A significant amount of money, \$2.3 million, has been given for the professional and academic development of our educational leaders. Since the inception of the Fund, thousands of people working in the educational arena within the Diocese of Green Bay have received scholarships.

As of June 30, 2008, the total value of the Lumen Christi endowment, which is now housed in the Catholic Foundation, was \$12.2 million.

Respite care — help and security for families

The last time Jim Schlies went hunting, on Oct. 5, 2006, he fell from his tree stand. Back surgery and months of hospitalization followed.

Jim now spends his days in a wheelchair, assisted mornings

and evenings by a professional caregiver. For two to four hours Tuesday afternoons, Arlene Anderson stays with Jim while Janis attends ceramic class — “my therapy session.”

“Respite means I can leave the house and not worry about leaving Jim alone,” Janis said. “While I’m gone I

“That’s what Jesus asked us to do.”

— Arlene Anderson

Arlene Anderson with Jim and Janis Schlies

and evenings by a professional caregiver. As important as that is, his wife, Janis, needed time away.

The Catholic Foundation for the Diocese of Green Bay helped make that possible through a grant to the Respite Care

Program. Arlene knows the need for such breaks. She hired someone to stay three hours a week with her husband Donny during the last year of his life while she went to water exercise classes.

She knew caregivers or family are not always options. So when she learned about Respite, a volunteer program sponsored by the National Council of Catholic Women and supported by the Green Bay Diocese, she knew it belonged in her parish.

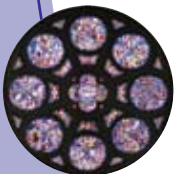

The parish council agreed and Fr. Ron Colombo decided it should be in all four linked parishes: All Saints, Denmark; Holy Trinity, New Denmark; St. James, Cooperstown; and St. Joseph, Kellnersville.

The first training session was in January 2008. Arlene coordinates the eight trained volunteers.

A couple in their 70’s also benefit from Respite. The wife stopped going to daily Mass after her husband’s stroke. Respite volunteers made it possible for her to attend Mass and have breakfast with friends every Tuesday and to visit monthly with her sister in a nursing home.

Jim sums up the importance of Respite in one word: “Security. I can’t be left alone. I can’t even depend on a cell phone. When I had my accident hunting in a tree I had my cell phone, but I fell on the side where the cell phone was and I couldn’t get it out.”

While Arlene finds Respite “very fulfilling,” she has another reason to help the less fortunate, the sick and ailing. “That’s what Jesus asked us to do.”
