Dear Sisters and Brothers in Christ,

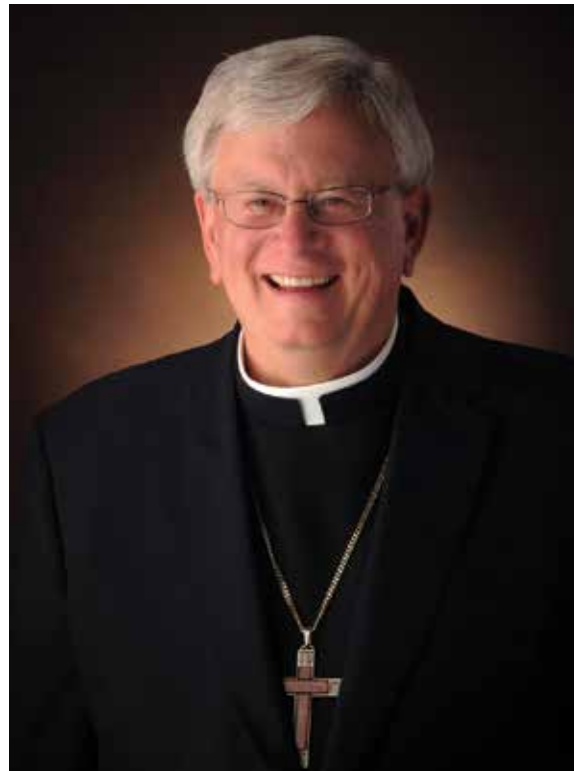

More than 2,000 years ago on the Ascension, eleven people came with doubt in their hearts to a mountain near Galilee. That day their lives changed forever. Jesus gave these disciples the missionary call to go make disciples of all nations, baptizing them in the name of the Father, and of the Son and of the Holy Spirit.

Today, each of us is called through baptism to live the life of a missionary disciple. We may not travel to distant lands sharing the Gospel message, but we can make a significant difference right here in northeastern Wisconsin. As disciples we are rooted in a deep prayer life, we are called to care for our neighbors and share those God-given gifts with others.

As you read through this Catholic Foundation Annual Report, I hope you will recognize hundreds of people who have accepted Jesus' invitation to discipleship. These friends of the Foundation have embraced the ministries of Church by setting up endowments or have remembered the Church in their will by leaving a bequest to the Catholic Foundation. These funds impact the faithful of our Diocese in the areas of education, service and ministry.

As we continue to boldly share the Gospel, I encourage you to either consider setting up a fund within the Catholic Foundation or to remember the Foundation in your estate plans. If you are interested in leaving a legacy, please call Cindi or Josh at the Catholic Foundation.

Together with your generosity we can continue the mission of the Church here in northeastern Wisconsin. May God bless you and your loved ones, and reward you for your deep faith.

Sincerely yours in Christ,

The Most Reverend David Ricken, DD, JCL
Bishop of Green Bay

Dear Friends,

For nearly 20 years the Catholic Foundation has partnered with hundreds of people interested in leaving a lasting legacy. Many of these families are dedicated to the Church and have a deep desire to serve those in need.

Through the support from many of our friends, the Foundation has grown to more than \$80 million and distributed more than \$6.1 million to impact parishes, Catholic schools, and other Catholic organizations. This year the Catholic Foundation established 11 new endowments and has more than 200 endowments since our inception in 1997.

The Catholic Foundation was pleased to help St. Francis Xavier Cathedral with their \$2.3 million capital campaign. This successful campaign for our Mother Church included projects like brick restoration, a copper roof and repairs to the precious murals.

Our Board of Directors ensures all funds raised through the Foundation are governed in the Spirit of Christ, using basic tenets of our Catholic values. Paul Schneider recently completed three years as President of our Board of Directors. We greatly appreciate his leadership. Lee Kummer, an attorney and member of St. Francis of Assisi parish in Manitowoc, has agreed to be our sixth president.

We hope the stories on the following pages inspire you to think about how you too can share the light of faith through the Catholic Foundation. You may find a fund in this report that touches your heart. Many people leave a bequest to the Foundation to benefit their parish, or they set up an endowment to support their favorite ministry.

To discuss how you would like to leave your legacy, call the Catholic Foundation at 920-272-8173.

Many thanks to all of our friends. God's blessing on you and those you love!

Sincerely,

Paul Schneider
President

Bishop's APPEAL

Our Diocese is a place of mercy and hope, bringing compassion and the love of Jesus to many people. When we show others compassion we become the face of Jesus, allowing the lives of others to be transformed by our many ministries. Transformation is a hallmark of our youth ministry programs.

Youth ministry lights the fire of faith in young people who are the future of the Catholic Church. Faith-filled leaders like Derrick Diedrich of St. Mary Parish in Greenville invite other young people to experience God's mercy through inspiring events like Youth Jam, March for Life and Steubenville.

The Bishop's Appeal is an annual fundraising campaign conducted by the Catholic Foundation to benefit many ministries and services of the Diocese of Green Bay. These ministries help form and train deacons, care ministers, and religious educators. Through the generosity of the people of northeastern Wisconsin, the 2016 Bishop's Appeal raised \$5,758,972. Our Diocese is full of *Faces of God's Mercy*, people bringing compassion and the transformative love of Jesus to others.

I liked that our community got to step outside of ourselves and pool our resources to help people who have so much less than we do! I also loved learning about the World Missions Projects the Diocese participates in—because it’s so small-scale, it really made me feel connected to our fellow Catholics in need around the world!

— Hannah Quast, Llama Extravaganza Host

World MISSION Services

Saint Francis Xavier Cathedral and St. John the Evangelist young adults held a Llama Extravaganza for Lent. They had a vegetarian dinner, watched a Disney movie, “The Emperor’s New Groove,” to embrace the concept of giving to others, and conducted a collection to adopt a llama and support the Community of St. Paul in Vacas, Bolivia. A llama provides the community with milk and wool. “I wish to express our thanks and appreciation for the generous donation to support our Adopt a Llama project in Cochabamba, Bolivia,” said Fr. Javier Guativa.

The 16 young adults exceeded their goal and raised \$195.00. In addition to the llama, they also purchased a bicycle for a catechist, who often travels 20 miles between villages, to teach the Word of the Lord in the Archdiocese of Tabora, Tanzania.

Many World Mission Services programs are available and provide students, teachers, families and faith communities with a greater awareness of the needs of our world. The llama project sponsored by the Community of St. Paul, participates in the Missionary Cooperation Plan, a program of the Pontifical Mission Society held each summer to raise funds for their home mission.

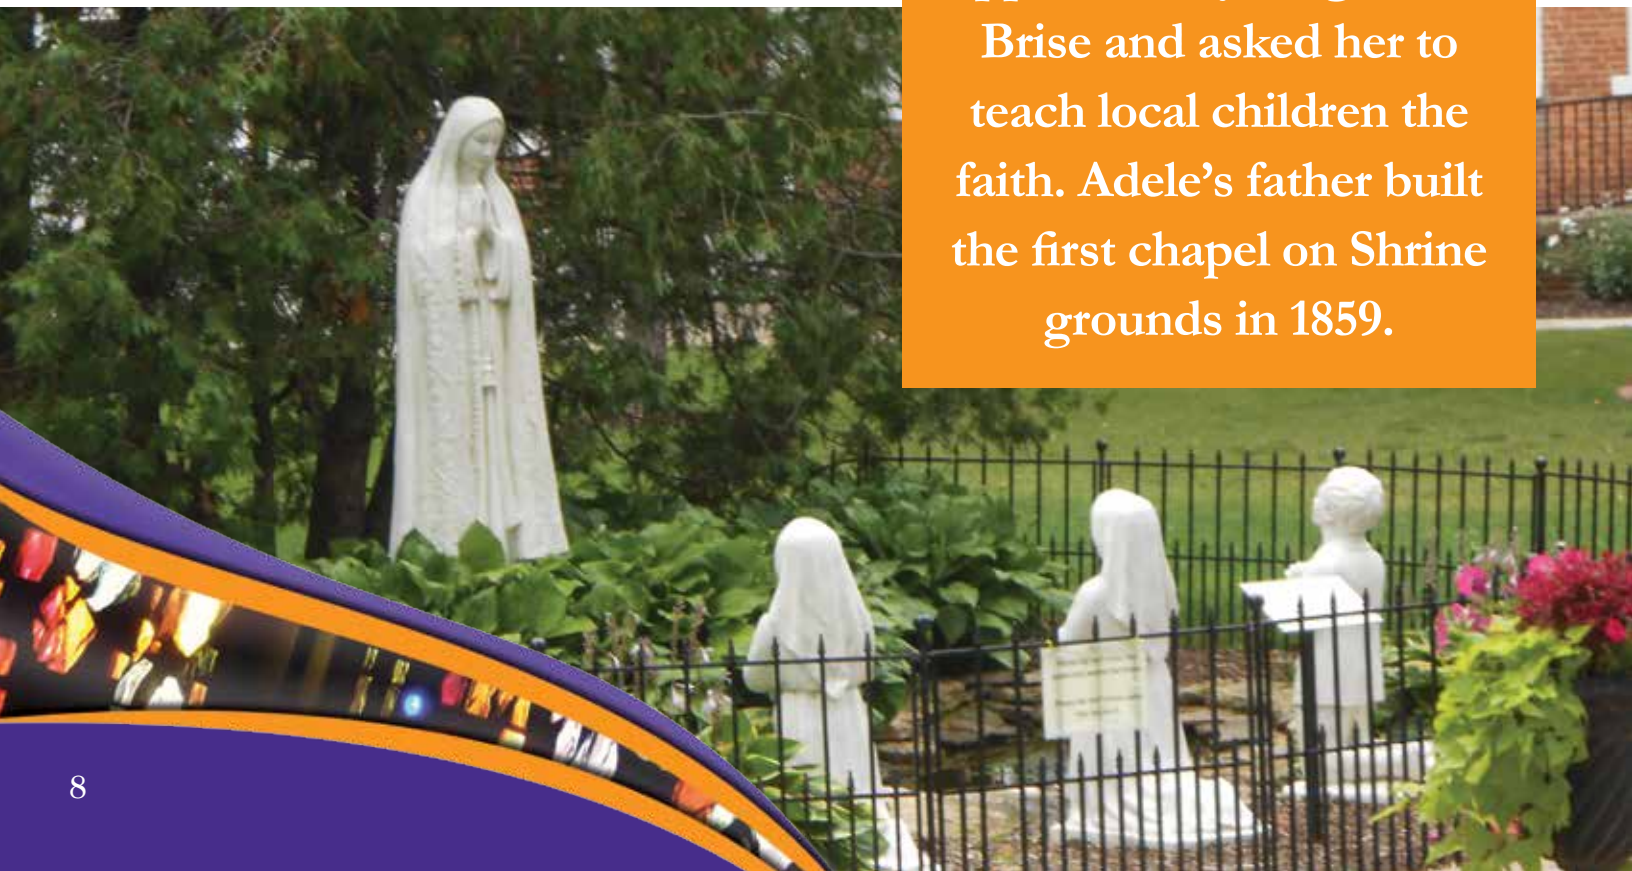

Shrine of Our Lady OF GOOD HELP

Back in 1871, the raging Peshtigo Fire destroyed everything in the area surrounding the Shrine of our Lady of Good Help, but the grounds at the chapel and buildings remain untouched, including the land consecrated to the Virgin Mary.

Pilgrims come year-round to this humble Shrine, basking in the warmth of Mary's open arms. Over time the Shrine grounds were improved. The National Shrine of Our Lady of Good Help is rapidly growing as a site for pilgrims from around the world. Friends of the Shrine helped establish endowments and remembered the Shrine in their will. The Catholic Foundation is proud to oversee the fundraising efforts of the Shrine and help maintain its beauty for those devoted to Mary.

Over 150 years ago, Mary, Queen of Heaven appeared to young Adele Brise and asked her to teach local children the faith. Adele's father built the first chapel on Shrine grounds in 1859.

Seminarian **COLLECTION**

God has heard the prayers of the faithful in our Diocese, and through the Holy Spirit, we have 25 men committed to Christ and preparing to serve us as future priests. This tremendous blessing comes with great responsibility. It takes significant financial resources to guide these men through their formation in seminary. “I am grateful for the support I received from the Seminarian Collection. Your help made my path to priesthood happen,” said Fr. Michael Thiel.

The Seminarian Collection provides funding for tuition, room and board, insurance, the Vocations department and other related expenses. The 2015 Seminarian Collection raised more than \$860,000. “Thank you for your support of my priestly journey through the Seminarian Collection,” said Fr. Scott Valentyn. Several Catholic Foundation endowments also provide support to these men.

“As for me and my house we will serve the Lord.” — Joshua

Hispanic Couples Seek to Strengthen Marriage and Family Ministries

In September 2015, Pope Francis made his first papal visit to the U.S. during the World Meeting of Families in Philadelphia. More than a million people attended, including a large group from the Diocese of Green Bay. The Catholic Foundation sponsored twelve Hispanic individuals who had a special purpose for their visit.

“There is a real need for Hispanics in our diocese to have our own marriage and family ministries. Language and cultural differences get in the way. And families today have so many challenges,” said Juanita Fiscal, St. Willebrord parishioner.

The Hispanic families found wonderful inspiration in the speakers they heard and the people they met. Their first goal was to implement Hispanic Marriage Preparation classes. They worked with Peg VandeHey, who recently retired as the Family and Married Life Coordinator from the Diocese of Green Bay.

“We are bringing in a facilitator who will train this local group to help Hispanic couples prepare for the sacrament of marriage. Hopefully each parish with Hispanic families in our diocese will be able to offer marriage preparation in Spanish, and ultimately marriage enrichment classes in Spanish,” said Peg VandeHey.

Juanita and her fellow pilgrims were grateful for the opportunity to attend the Philadelphia pilgrimage. “It was a once in a lifetime chance to see Pope Francis. It was a beautiful experience to walk together with other pilgrims, and to help each other. Through this experience, we hope to help Hispanic families draw closer to the Church,” said Jaunita.

Types of Funds

Areas of Impact

I want to express my gratitude for the Lumen Christi grant that I was awarded this year. I am working on my masters in Administrative Leadership through Silver Lake College. I would not have had this opportunity without your generous support. I'm grateful that I work in a diocese that values education and the development of its educators.

Planned GIVING

Planned giving is the act of making a charitable contribution where the method and timing benefit both the recipient and the contributor. The recipient can make long-range plans while relying on a dependable source for future funding. And the donor can reap numerous benefits: income tax incentives, guaranteed lifetime income, reduction or elimination of estate taxes, and the satisfaction of making an important charitable gift to a worthy cause, to name just a few. The possible ways of financing a planned gift are nearly limitless. They include:

Charitable Will Bequest — Bequeath gifts of real estate, cash, or other property as a last will and testament with the knowledge that it will benefit a charitable cause.

Charitable Living Will — Provide for eventual gifts of real estate, cash or other property knowing that all or part of the assets may be returned upon request.

Charitable Gift Annuity — Receive fixed annual payments for life which, for a period of time, may be partially free of taxes as well as an initial income tax reduction.

Charitable Remainder Trusts — May bypass capital gains tax at the time the trust is created, and may receive federal estate tax savings.

Charitable Lead Trust — Transfer assets to heirs with little or no real estate and gift taxes.

Life Insurance Policies — After a policy is no longer needed for its intended use, feel the satisfaction of giving to a charitable beneficiary.

Endowment Life Insurance Policies — Make a charitable gift to an organization which purchases policy in donor's name. When policy becomes self-funding, it is then designated to a beneficiary consistent with donor's wishes.

Gifts of Appreciated Property — Includes real estate, timber rights, personal property, pension or retirement funds, and stocks and marketable securities, works of art and special collections.

PERMIT NO. 104

Charitable giving is an act of *Faith*.

What you *Give* is less important than the *Spirit* in
which you give.

The *Lord* has blessed each of us with many *Gifts*
in life — gifts of good health and talents which have
allowed us to *Care* for ourselves and others.

As faithful stewards of these gifts, please consider
Giving back in *Gratitude* for receiving them.
