

St. Francis Xavier Cathedral Campaign

On November 20th, 1881, St. Francis Xavier Cathedral, built by the people of the Diocese of Green Bay, was consecrated by Bishop Krautbauer. For over 125 years, St. Francis Xavier Cathedral parish has been the custodian of this diocesan treasure.

After prayerful consideration, recognizing the need to help the Cathedral parish preserve and update our Mother Church for the use of all the people of the Diocese, we support the St. Francis Xavier Cathedral Capital Campaign project with a gift to the Catholic Foundation for the Diocese of Green Bay, Inc.:

Total Gift \$ _____

Enclosed Amount \$ _____

Remaining Balance \$ _____
