

## Weekly Guidelines to Promote the Appeal

\* Each weekend during the Appeal, please remember to *ask for a gift*. Parish leadership plays a critical role in guiding people to make a gift to the Appeal.

**Kick-off Weekend:** Have the Pastor preach a homily on the Appeal. Or use Bishop Ricken's Appeal Homily on audio.

**2nd Appeal Weekend:** Play Bishop's Appeal video, and/or have a staff member or parishioner give a short testimonial about how they have benefitted from Bishop's Appeal. (see below)

**3rd Appeal Weekend:** Consider another testimonial. It often takes more than four weekends for every parishioner to hear one message, and testimonials bring meaning. It's important for people to understand how the Appeal comes back to benefit your parish or parishioners personally.

**4th Appeal Weekend:** Have Pastor or Pastoral Leader provide a short update on your progress of the Appeal. Continue this over the next few weeks.

**Final Appeal Weekend:** Share with people when your parish has reached their goal. Remember to thank them for their support.

### Who could give a testimonial?

Deacons, Parish Directors, Lay Ministers, Care Ministers, Finance Council Members, School Educators and Parish Religious Ed teachers all receive training and/or materials funded by Bishop's Appeal.

Anyone who has gone through the Emmaus program has been helped by the Bishop's Appeal.

Events and programming that are often funded by the Appeal include Girlfriends in God, speakers through the New Evangelization, and Marriage Preparation.

See the new "Witness Talk Resource Guide" for an outline that can be used to develop a Witness Talk. This brochure can be found on your CD of Campaign Materials.

*Without funding from the Bishop's Appeal, our ministries would look very different than they do today. Many events or training sessions may not have taken place or had the same impact.*

## Strategies to Reach Your Bishop's Appeal Goal

- Host a Crozier Society Recruitment Event
- Mail Pre-Campaign Recruitment Letters
- Follow Weekly Guidelines to Promote the Appeal

# Steps for a Successful Crozier Recruitment Event

1.

Call Josh Diedrich at the Catholic Foundation (920-272-8197) to discuss a date for a Crozier Recruitment Event.

The Foundation can provide you with a list of Crozier prospects from your parish.

2.

Invite two Crozier Society couples to help plan the event.

If your parish doesn't have any Crozier members, invite two couples who are leaders in your parish to help with the event.

3.

Prepare and mail invitations from your parish 30 days prior to the event. Include an RSVP. The Catholic Foundation can give you a template for the invitation. A personal phone call to the invitees will help get as many people as possible to the event.

4.

Provide refreshments and make the event welcoming.

5.

The Foundation will work with you on the agenda. A Foundation staff person will present at the event with the help of the pastor and other parish leadership.

Pledge cards and return envelopes will be provided by the Catholic Foundation. Our goal is to have people make pledges at the event, but some may choose to take time at home to pray about their commitment. The parish should follow up with those people.

# Pre-Campaign Crozier Recruitment Letters

Below are two sample letters you may use before the Bishop's Appeal begins in February. Fr. Tim Shilcox sends a similar letter at the beginning of the Appeal and has had wonderful results. Foundation staff can provide you with a list of Crozier prospects from your parish. You may use these letters to model your own for your parishioners.

## ***Letter to those who have contributed \$500 or more...***

We're presently engaged in the ***Bishop's Appeal*** for the Diocese of Green Bay! There is so much good accomplished by this effort – far more than any parish could do alone!

These funds ***prepare catechists*** for Religious Education programs in our parish. They also underwrite the work of ***Catholic Charities*** – helping people in ***high risk*** situations of abuse, addiction and homelessness to regain safety, stability and hope for their future through counseling and interagency advocacy. ***This is good Gospel work!***

Your past support of this appeal has helped our parish family reach toward our goal! I understand your gift is at the Crozier Society level of giving - \$500 or more. Thank you for this sharing which has far-reaching impact, and witnesses your love for Jesus!

***My hope is that you will continue being generous by remaining or even increasing your level of giving within the Crozier Society.*** It means so much to the diocese, to <<Parish name>>, and to me if you offer this sharing!

There are many “asks” coming at you, and we have been very blessed here in <<your city name.>> However, I trust in your faithful stewardship and generous, even sacrificial giving.

Those whose lives you change are grateful for your Crozier-level gift. You are in my prayers – every day! And we trust none of us can ever outdo God in being generous, since ***“God so loved the world that He gave His only Son...” (John 3:16)***

***For your past generosity, prayerful consideration and future sharing – thank you and God bless your loved ones!***
