Dear Brothers and Sisters in Christ,

As Catholics we are called to generously share our gifts from God to help others. In the Gospel of Matthew we learn about generosity as Jesus took five loaves of bread and two fish, blessed them and fed a crowd of more than 5,000 people. When we generously share our gifts from God, He multiplies them in many ways to accomplish His work.

Much like Jesus multiplied the bread and fish, your gifts to the Catholic Foundation are multiplied and used to help thousands of people throughout northeastern Wisconsin. This happens through your support of the Bishop's Appeal that benefits Catholic ministries, by creating endowments to help your parish or favorite Catholic cause and through your generous support of the *one by One* campaign when it arrives in your parish.

This year the Foundation helped our Diocese launch the *one by One* campaign. After several years of gathering input from school and parish leaders I was better able to understand the greatest needs in our communities. This mission campaign will raise funds to strengthen and ensure the future of our parishes by addressing their critical needs, enhance Catholic education, broaden social services programs and ministries and help support our seminarians.

As we work to lead more families to discover, follow, worship and share Jesus, I encourage you to consider creating an endowment or remembering the Catholic Foundation in your estate plans. If you would like to learn more about how to leave your legacy, please contact Josh Diedrich at 920.272.8197.

Just as the disciples never thought five loaves of bread and two fish could feed a large hungry crowd, today our gifts large and small make a tremendous impact in our communities. When we generously share the gifts given to us by God, remarkable things happen. Thank you for all your support of the mission of the Church. May God bless you and your loved ones abundantly.

Sincerely yours in Christ,

The Most Reverend David Ricken, DD, JCL
Bishop of Green Bay

Dear Friends,

For more than 20 years the Catholic Foundation has partnered with families interested in leaving a lasting legacy to support the Church. Many of these families are dedicated to their parish and have a deep desire to serve those struggling most in life. Because of this wonderful generosity, the Catholic Foundation has grown to more than \$100 million and has distributed more than \$40 million to parishes, Catholic schools and other Catholic organizations.

This year 12 new funds and endowments were created to support Catholic education, ministry and services in our Diocese. In addition, the Catholic Foundation supports many families and individuals in need through planned gifts, World Mission Services and annual appeals like the Bishop's Appeal.

Last year the Bishop's Appeal raised more than \$6 million to support the social service programs of Catholic Charities, evangelization efforts in our parishes to introduce Jesus to more people and training for our Catholic school and religious education teachers. Through support of the 2018 Seminarian Collection more than \$1 million was raised to help men answer God's call to the priesthood. You make this and so much more happen!

Most importantly through your gifts to the Catholic Foundation more people of all ages are able to discover, follow, worship and share Jesus in the places we live, work and pray. We hope the stories you find throughout this report will inspire you to think about how you can leave your legacy through the Catholic Foundation. If you would like to learn more or want additional information, please call Josh Diedrich at 920.272.8197.

On behalf of all the people served because of your generous gifts to the Catholic Foundation, thank you! May God bless you and all those whom you love.

Sincerely,

Lee Kummer
President

Executive Director

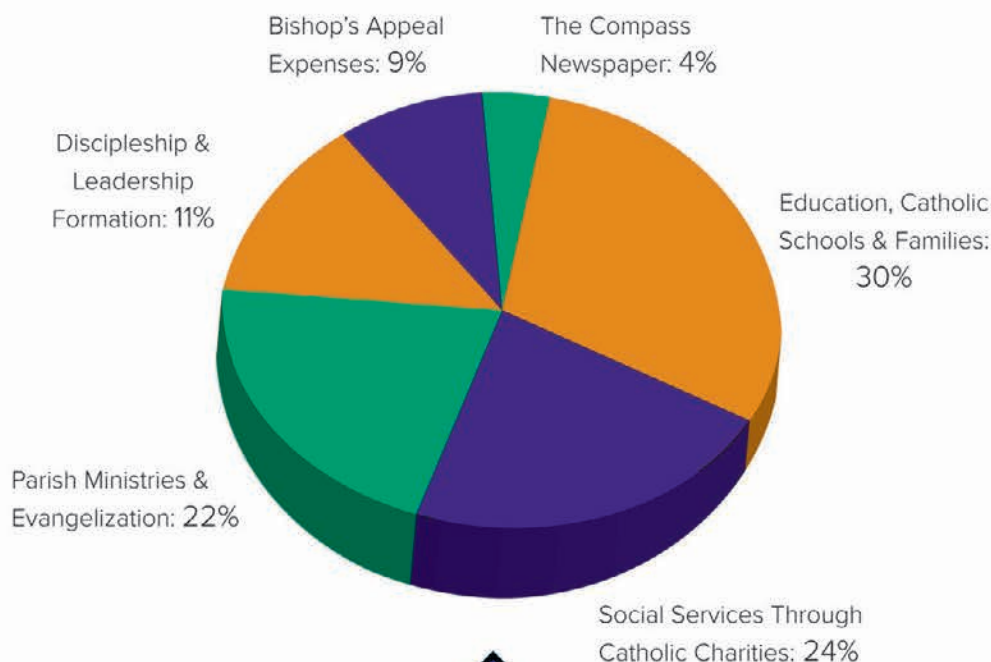

Bishop's Appeal

Each year the Bishop's Appeal gives families in our Diocese the opportunity to rise up in prayer and action. Through support of the Appeal we become the front line of love in our communities. This happens in many ways. Through the social service outreach programs of Catholic Charities to the evangelization efforts in our parishes, thousands of people come to know the love of Jesus.

In our Catholic schools and faith formation programs, educators receive the tools and training to teach our youth about the depth of God's love for them and His amazing plans for their lives. Families are inspired to grow spiritually in our Catholic faith through inspirational stories in our award-winning Diocesan newspaper, *The Compass*.

Through Care Ministry in our parishes volunteers receive the training to share Holy Communion and prayers with members who are sick and homebound, in prisons and nursing homes. These ministers also develop wonderful friendships and keep parishioners connected to their parish. Your gifts make this and so much more happen in our parishes and communities.

As Catholics we are called to put our faith into action, to serve the least among us and work for justice. You do this through your generous support of the Bishop's Appeal. You help more people discover, follow, worship and share Jesus.

World Mission Services Reaches Out to the Poorest of the Poor

World Mission Services, under the direction of the Catholic Foundation, promotes the missionary spirit of the Gospel of Jesus Christ. Through this ministry Catholics are encouraged to answer their baptismal call to missionary discipleship.

Evangelization efforts happen in more than 1,100 mission dioceses in hundreds of countries. They are supported by the Pontifical Mission Societies which is the missionary arm for the Pope. Included are the Propagation of Faith, the Missionary Cooperation Appeal and the Missionary Childhood Association that provide free educational resources for families, parishes, schools and communities.

World Mission Services assists missionaries throughout the world by offering such things as a Projects Booklet, Missionary Mass stipends, a Mission closet and shipping of rosaries. We also support collections for the United States Conference of Catholic Bishops, disaster relief and CRS Rice Bowl.

Working as a bridge between our generous families, groups who go on mission trips and the Dominican Republic Mission, World Mission Services helps the poorest of the poor. As Sr. Martha Mafurutu of the Servants of Mary the Queen shared, "Words cannot express our thankfulness to you and the Catholic Foundation for your help for the poor children in Zimbabwe, and my community. It's wonderful to know that you care enough to be on the side of the suffering children in Zimbabwe."

Planting and Nurturing the Seeds of Faith

As we work to call forth and form disciples this begins at an early age at Camp Tekakwitha. Children discover Jesus all around them in the beautiful North woods. Here the seeds of faith are planted at an early age as they participate in Mass, prayer and fun outdoor activities.

Those same seeds of faith are nurtured at the Newman Centers. Many times it is here young adults discern their life-long vocations. These vocations include the priesthood, religious order, married or single life.

Just as the Blessed Mother appeared to Adele Brise in 1859 at the National Shrine of Our Lady of Good Help instructing her to teach the children the faith, you now help carry on this important mission. Through your generous support many children and young adults are inspired to grow deeper in their faith and become our future church leaders.

The Catholic Foundation proudly supports the fundraising efforts of Camp Tekakwitha, the Newman Centers at UW Oshkosh and UW Green Bay and the National Shrine of Our Lady of Good Help.

Advancing the Mission

By the end of 2009, the Catholic Foundation helped parishes and the Diocese of Green Bay raise nearly \$40 million through the Advancing the Mission stewardship campaign. This transformational campaign addressed many needs of local parishes and established four endowments.

Today, more than \$3.5 million has been distributed from these endowments through grants that help parishes, Catholic schools and other Catholic organizations. These grants support evangelization efforts in parishes, provide care for our retired priests, form Church leaders and foster life-long learning in Catholic schools and parish religious education programs. Through this campaign the Catholic Foundation continues to Advance the Mission of the Church.

"Our family is very grateful for being recipients of the Green Bay Diocese Advancing the Mission grant this school year. Because of such generosity, we are able to receive a faith-filled education at Lourdes, where our children have attended since 2006. The positive environment and encouragement that Marcus experiences is second-to-none. Thank you for allowing him the opportunity!"

- With much appreciation,
A Lourdes Academy Family

Lumen Christi

Established in 1988, the Lumen Christi endowment helps meet current and future educational needs in the Diocese of Green Bay. Annually, every parish receives a distribution to support faith formation and every Catholic school receives a per student contribution. Tuition assistance is also provided for academic development of educational leaders. Today, more than \$20 million has been distributed since this endowment was created. Through this endowment we grow future leaders in our parishes and Catholic schools!

The one by One: A Campaign to Transform Communities

Recognizing all we have is a gift from God and meant to be shared, the *one by One* campaign provides each of us the opportunity to impact our parishes and communities. Through this mission campaign you will help meet critical needs in your parish, enhance Catholic education for people of all ages, broaden social services programs through Catholic Charities and living justice ministries and care for our seminarians.

Jesus calls us, one by one, to follow Him. This ongoing call invites us to consider how we can better build the Kingdom of God in our families, our Church and our world. Through your support of the *one by One* campaign you will help more people discover, follow, worship and share Jesus in the places we live, work and pray.

Seminarian Collection

Each year nearly \$1 million is needed to assist our seminarians with tuition, room and board, health care and inviting more men to consider the priesthood. The annual Seminarian Collection invites the faithful of our Diocese to participate in the Seminarian education of our future priests. This year Bishop Ricken ordained two new priests, Fr. Matt Faucett and Fr. Bill Evans.

“I am grateful for our seminarians’ commitment to the Lord and I am so thankful to you for your prayers and financial support of them,” shared Bishop Ricken. “Through your support, they receive training to share the Gospel, joyfully serve our Lord and lead even more people to discover, follow, worship and share Jesus.”

In 2018, the Collection raised more than \$1 million. Seminarians also receive support through several Catholic Foundation endowments. Our seminarians are our hope for the future. By 2025 our Diocesan goal is to have 30 men in seminary. Help make this a reality through your support of the annual Seminarian Collection or an endowment. Thank you for your prayers for vocations.

“People who contribute to the Seminarian Collection are contributing to setting the Diocese on fire with the love of God. To those who have given gifts to the Seminarian Collection thank you for supporting us as seminarians.”

*-Fr. Matt Faucett, Ordained

Paying It Forward to Help Our Seminarians

“I pray for vocations every day,” shared Mary Ann Parie.* “We need priests. I don’t want money to be the barrier for them to enter the seminary.”

Growing up Catholic, her faith has always been extremely important to her as is the future of our Church. “How can the Church carry on without priests? You can’t have Mass without priests,” said Mary Ann.

She knows first-hand how important the vocation of a priest is after working for Fr. Henry Arens as his housekeeper for more than 20 years. After Mary Ann’s father learned Fr. Arens needed help, he introduced the two. This was the beginning of a wonderful working relationship and lasting friendship.

While working for Fr. Arens, Mary Ann learned his uncle, Monsignor Marx, helped him financially and made it possible for him to answer God’s call to the priesthood. Mary Ann now pays it forward whenever she can because of this wonderful example of giving Monsignor Marx shared with his nephew.

Most recently, Mary Ann created the Msgr. Joseph Marx and Rev. Henry J. Arens Endowment for Seminarians in their memory. Through this fund she supports the vocation to the priesthood and ensures future generations of Catholics have the opportunity to attend Mass and receive the Sacraments.

**This story is dedicated to the memory of Mary Ann Parie who passed away shortly after this story was written. May God grant her eternal rest.*

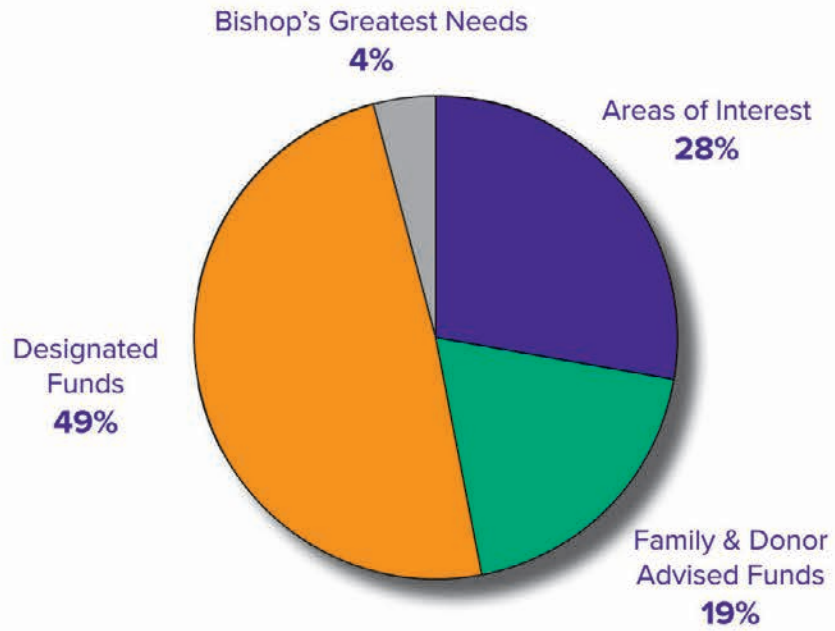

“When God calls someone to the priesthood, it is because He has chosen him to be His shepherd for His people. We never want anything to get in the way of a young man saying ‘yes’ to his vocation. Thanks to Mary Ann and her generous gift more men will be able to answer God’s call to the priesthood.”

Planned Giving

Planned giving is the act of making a charitable contribution where the method and timing benefit both the recipient and the contributor. The recipient can make long-range plans while relying on a dependable source for future funding. And the donor can reap numerous benefits: income tax incentives, guaranteed lifetime income, reduction or elimination of estate taxes and the satisfaction of making an important charitable gift to a worthy cause, to name just a few. The possible ways of financing a planned gift are nearly limitless.

They include:

Charitable Will Bequest - Bequeath gifts of real estate, cash, or other property as a last Will and testament with the knowledge it will benefit a charitable cause.

Charitable Living Will - Provide for eventual gifts of real estate, cash or other property knowing that all or part of the assets may be returned upon request.

Charitable Gift Annuity - Receive fixed annual payments for life which, for a period of time, may be partially free of taxes as well as an initial income tax reduction.

Charitable Remainder Trusts - May bypass capital gains tax at the time the trust is created and may receive federal estate tax savings.

Charitable Lead Trust - Transfer assets to heirs with little or no estate and gift taxes.

Life Insurance Policies - After a policy is no longer needed for its intended use, feel the satisfaction of giving to a charitable beneficiary.

Endowment Life Insurance Policies - Make a charitable gift to an organization which purchases a policy in the donor's name. When policy becomes self-funding, it is then designated to a beneficiary consistent with donor's wishes.

Gifts of Appreciated Property - Includes real estate, timber rights, personal property, pension or retirement funds, and stocks and marketable securities, works of art and special collections.
