Third Shipping Container to collect supplies for the Dominican Republic and Haiti

GREEN BAY, Wis. (May 1, 2018) – The World Mission Office of the Catholic Foundation of the Diocese of Green Bay is once again sponsoring the Shipping Container Project. This project aims to collect enough supplies to fill an entire shipping container to send to the Dominican Republic and Haiti. The broad range of items needed for specific projects will directly benefit the health, well-being, and quality of life of those in these two areas of the Caribbean.

The past two years, 40-foot shipping containers were filled with a total of 37 tons of items. “The people of the Diocese of Green Bay have been so generous with this project,” said Cindy St. Aubin, World Mission Director for the Catholic Foundation. “They gave money, cleaned out their closets, basements and garages, and bought new items—all to donate to the poorest of the poor. These gifts will greatly improve the lives of so many people. Fr. Mike and Sr. Maria are great stewards of what they receive, nothing is wasted; even the empty shipping containers are converted into buildings! It brings me such joy to see the generosity of our communities.”

For more than 50 years, the Diocese of Green Bay has provided financial support and priests to staff two parishes in the Dominican Republic, St. Teresa Parish in Elías Piña and St. Isidore Parish in El Llano. They are currently served by Fr. Mike Seis, who ministers to approximately 90,000 people in his two parishes and approximately 1,350 students in Catholic schools.

Sr. Maria Marciano previously worked as a missionary for 22 years in the Dominican Republic and now focuses her work across the border in Haiti. She works to construct roads, provide fresh water, teaches agriculture, and reforestation. Her work provides, clean water, life-sustaining food sources, health, wellness, education, and flood and erosion prevention. Sr. Maria’s efforts impact over 160,000 lives in Haiti.

Items needed include: office supplies, farm/construction supplies, medical supplies, hygiene items, housewares and clothing.
