Dear Pastors and Pastoral Leaders:

The kickoff weekend for our annual **Seminarian Collection** is fast approaching. Year after year, the generosity shown to this important collection continues to grow, for which the seminarians and I are profoundly grateful. We aim to continue to provide for our young men so that they have the resources necessary to help prepare them to be shepherds of souls for our wonderful parishes. Your support and promotion of this collection ensures that it will continue to happen for years to come. Last year's collection reached over \$1,000,000, and we strive to achieve that once again. I humbly ask that you help to make this collection a continued success. In order to do so, please take a look at the resources enclosed. As always, we encourage you to remind the faithful that **the collection is done exclusively by direct mail. Please utilize the bulletin announcements, especially for the kickoff weekend this year on August 1 and 2. Even if you do not have a seminarian speaker this weekend, it is imperative every parish highlight the collection during the kickoff weekend.** Thank you in advance for your continued help in providing hope for the future by helping them today!
