Dear Brothers and Sisters in Christ,

As I reflected upon this past year, a couple of things really stood out to me. One was the generosity of all of you through your prayers and gifts to support the mission of our parishes and the Church. The other was how incredibly faith-filled and resilient we are as we continue to journey through the COVID-19 pandemic.

Much like the Apostles in the Book of Acts we must rely on our faith to sustain us in good times and bad times. I imagine those Apostles were challenged to share the Good News just as we are today.

They did not give up on the mission and we must not give up either.

We, too, must call on the Holy Spirit just like the Apostles did to lead and empower us!

Through our faith and acts of love we continue to make our Diocese and the world a better place to live. This also happens through your generous support of the Catholic Foundation's annual appeals, campaigns and planned giving opportunities. I am grateful for all of the families who have given and those who have remembered us in their Wills. As you page through this year's annual report, you will find stories of how the generosity of families is helping thousands of people in our Diocese and throughout the world.

Just like the Apostles, we must continue to share the Good News and joy of our Lord with even more families. One easy way to do this is by creating an endowment or remembering the Catholic Foundation in your estate plans to support your parish, Catholic schools, other Catholic causes and the Diocese of Green Bay.

If you would like to learn more about leaving your legacy, please contact Josh Diedrich at 920.272.8197. Early disciples realized faith is a gift. Gifts are meant to be shared. I am grateful for you and your generosity. Come Holy Spirit, come! May God bless you and your loved ones abundantly.

Sincerely yours in Christ,

Bishop of Green Bay

Dear Friends,

In this year's annual report you will find stories of the Holy Spirit at work inspiring and motivating families and individuals who give and those that benefit from their generosity. We share these stories so the Holy Spirit may inspire, educate and motivate others to share their gifts.

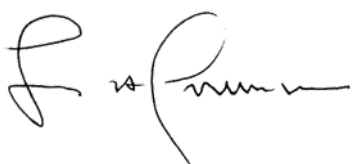

The generous support from Catholic Foundation friends is making a tremendous impact in our parishes and communities throughout northeastern Wisconsin. St. Teresa of Calcutta said, "If you can't feed a hundred people, feed just one." One person has the ability to affect many lives.

By generously sharing our gifts with others our Catholic faith and communities grow stronger. This year 18 new funds and endowments were created with one of those funds being the Parish Emergency Response Fund. This fund helps parishes who are financially hurting because of the COVID-19 pandemic. The Catholic Foundation also supports many people in need with funds given through planned gifts, World Mission Services and annual appeals like the Bishop's Appeal.

Because of the generosity of many families and individuals wanting to help our parishes, Catholic schools, other Catholic causes and the Diocese, the Catholic Foundation has grown to more than \$100 million and has distributed more than \$40 million. We are so grateful for this support of our mission and the Church!

Stewardship is a way of life. As St. Teresa of Calcutta shared, one gift, one act of kindness can make a huge impact in a person's life. Here at the Catholic Foundation we can help you create a personalized plan to fit your charitable giving goals and leave your legacy. If you would like to learn more about how you can help others and support the mission of the Church, please call Josh Diedrich at 920.272.8197. Thank you and God bless!

Sincerely,

Lee Kummer

Bishop's Appeal Supports Diocesan Ministry Services

Each year the Bishop's Appeal gives families and individuals in our Diocese the opportunity to put their faith into action. This spring it was even more evident as we journeyed together through the COVID-19 pandemic. From Parish Life Line Zoom meetings with parish leaders sharing creative ways to connect with parishioners, to offering innovative ways to provide faith formation, the diocesan staff has been there during these challenging times.

Through the Bishop's Appeal, Catholic Charities counseling services reach out to those in need through virtual and telephone calls. These caring counselors help people with increased anxiety, financial issues and relationship problems. These things and so much more were possible because of the generosity of more than 27,000 families and individuals who support the Bishop's Appeal.

"I am impressed with the tremendous impact the Catholic Foundation makes on our communities by funding ministries like Catholic Charities that reach out to many people in need across northeastern Wisconsin."

- Sue Panek, Retired Non-profit Executive, Oshkosh

World Mission Services – Caring for the Least Among Us

Caring for the disabled and elderly in a Third World country is not easy. However, Tom Chitta and Dr. Geetha are doing just that at the Foundation for Children in Need (FCN) Home in India. FCN Home provides care for eight elders and 11 young girls with more arriving each week. In India those with disabilities are discarded. Through the Catholic Foundation World Mission Services these people receive much needed care. Each year our Missionary Cooperation Appeals held at all parishes assist 38 mission groups.

“Thank you so much for your generosity and kindness. We received the mission appeal check. It will go a long way in serving our needy. We are forever grateful to you. Thanking you for your loving support,” wrote Tom and Dr. Geetha in a thank you note to the Catholic Foundation.

World Mission Services touches the lives of people throughout the world through the Propagation of the Faith, the Missionary Cooperation Appeal, Catholic Relief Services, Projects Booklet, the Missionary Childhood Association and other collections.

Helping Our Next Generations Discover and Grow in Our Faith

Today, through your generous support children and young adults are not only discovering Jesus in our parishes and Catholic schools but at Camp Tekakwitha and through Campus Ministries at UW-Oshkosh and UW-Green Bay.

At Camp Tekakwitha the seeds of faith are planted at an early age as campers participate in daily Mass, prayer and fun outdoor activities. Those same seeds of faith continue to grow through Campus Ministries. Many times young adults are discerning their life-long vocation that includes the priesthood, religious life, married or single life. These young adults become our future Church leaders.

When our Blessed Mother appeared to Adele Briese in 1859 at the National Shrine of our Lady of Good Help she instructed Adele to teach children the faith. Your gifts help ensure our Blessed Mother’s mission continues not only today but for future generations. The Catholic Foundation proudly supports the fundraising efforts of Camp Tekakwitha, Campus Ministries and the National Shrine of Our Lady of Good Help.

Advancing The Mission

Through the support of many people the Advancing the Mission campaign raised nearly \$40 million to support parishes and the Diocese of Green Bay. In 2009, this stewardship campaign addressed many needs of our parishes and established four endowments.

Today, grants from these endowments continue to support evangelization efforts in parishes, provide care for retired priests, form Church leaders and support life-long learning in Catholic schools and parish religious education programs. More than \$3.5 million has been distributed to help parishes, Catholic schools and other Catholic organizations. This campaign continues to help us advance the mission of the Church.

Lumen Christi

In 1988 the Lumen Christi endowment was established to help meet current and future educational needs in the Diocese of Green Bay. Today, more than \$20 million has been distributed to help grow future education leaders in our parishes and Catholic schools.

Annually, all parishes receive a distribution to support faith formation and every Catholic school receives a per-student contribution. Tuition assistance is also provided for academic development of educational leaders. Through this endowment our educators receive the tools and training to further the mission of the Church.

Sharing Our Gifts from God Through the *one by One* Campaign

Recognizing all we have is a gift from God and meant to be shared, the *one by One* campaign provides each of us the opportunity to impact our parishes and communities. Through this mission campaign, you will help meet critical needs in your parish, enhance Catholic education, broaden social service programs through Catholic Charities and care for our seminarians.

Jesus calls us, one by one, to follow Him. This ongoing call invites us to consider how we can better build the Kingdom of God in our families, our Church and our world. Unfortunately, the *one by One* campaign has been slowed because of the COVID-19 pandemic. It is through your support of this campaign that we will be able to help more people discover, follow, worship and share Jesus.

Seminarian Collection

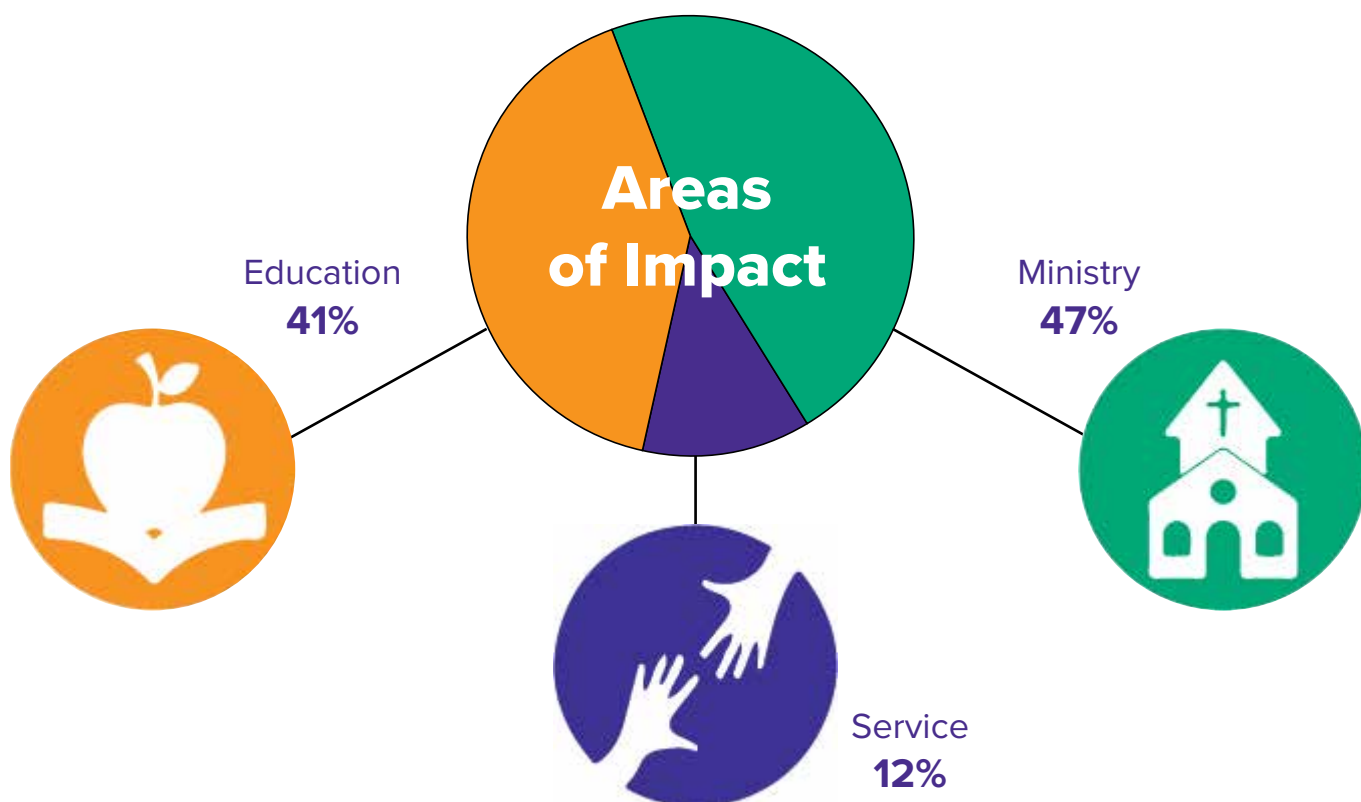

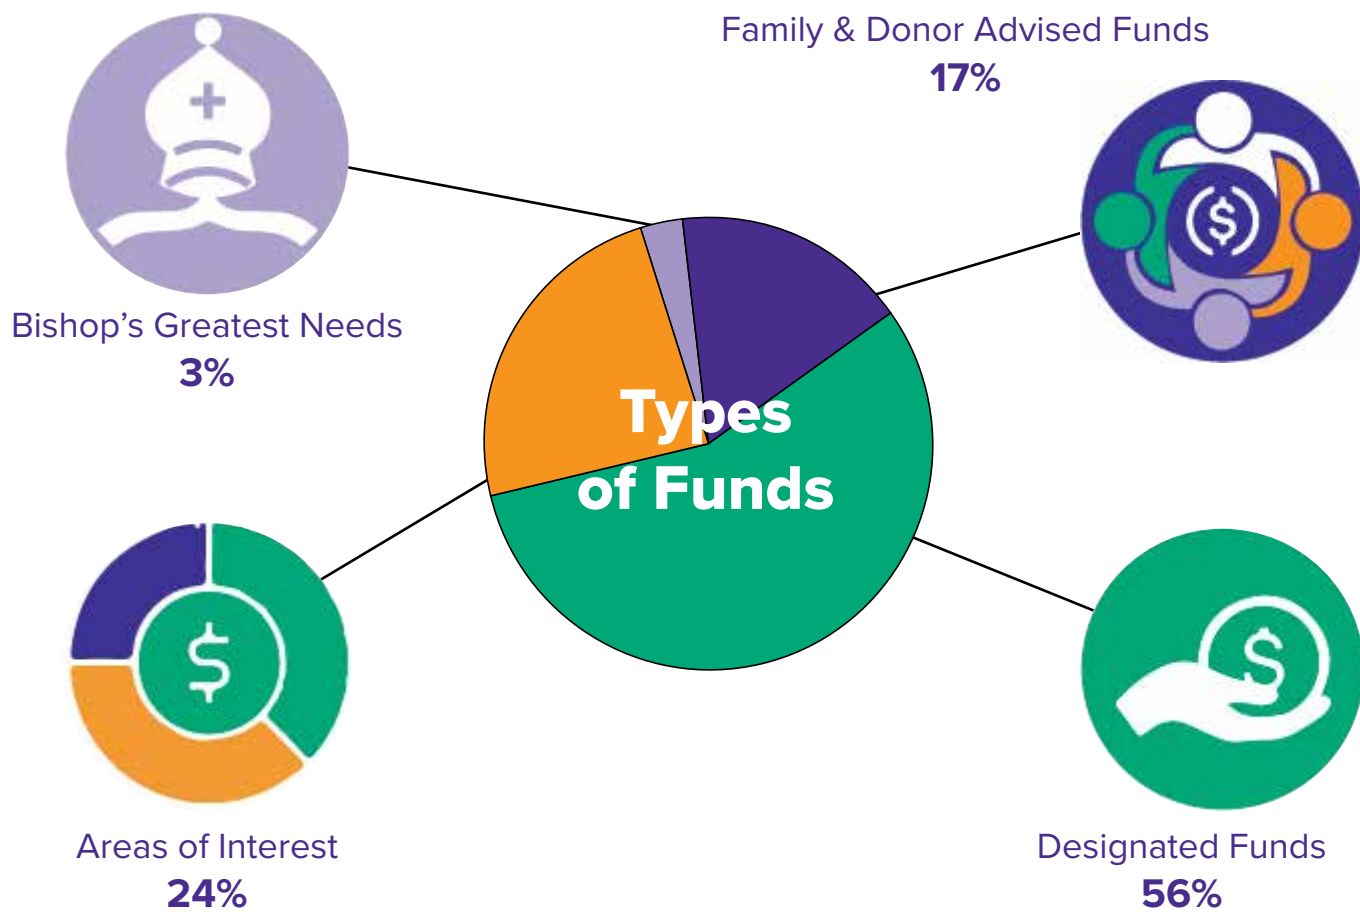

The annual Seminarian Collection invites the faithful of our Diocese to participate in the seminarian education of our future priests. Each year nearly \$1 million is needed to assist our seminarians with tuition, room and board, health care and inviting more men to consider the priesthood.

In our Diocese over the last 15 years, the Seminarian Collection has helped 36 men be ordained. This year Bishop Ricken ordained two new priests, Fr. Ben Johnson and Fr. Kevin Ripley. Our seminarians are our hope for the future and the Catholic Foundation is pleased to support them through the annual Seminarian Collection and seminarian endowments.

"To all those who have given to the Seminarian Collection, on behalf of myself and my brother seminarians, I want to thank you from the bottom of my heart for giving us this chance, this opportunity to study and ultimately become a priest of Jesus Christ for the Diocese. Thank you and may God bless you."

- Fr. Ben Johnson, Ordained July 9, 2020

Planned Giving

Planned giving is the act of making a charitable contribution where the method and timing benefit both the recipient and the contributor. The recipient can make long-range plans while relying on a dependable source for future funding. And the donor can reap numerous benefits: income tax incentives, guaranteed lifetime income, reduction or elimination of estate taxes and the satisfaction of making an important charitable gift to a worthy cause, to name just a few. The possible ways of financing a planned gift are nearly limitless. They include:

Charitable Will Bequest - Bequeath gifts of real estate, cash, or other property as a last Will and testament with the knowledge it will benefit a charitable cause.

Charitable Living Will - Provide for eventual gifts of real estate, cash or other property knowing that all or part of the assets may be returned upon request.

Charitable Gift Annuity - Receive fixed annual payments for life which, for a period of time, may be partially free of taxes as well as an initial income tax reduction.

Charitable Remainder Trusts - May bypass capital gains tax at the time the trust is created and may receive federal estate tax savings.

Charitable Lead Trust - Transfer assets to heirs with little or no estate and gift taxes.

Life Insurance Policies - After a policy is no longer needed for its intended use, feel the satisfaction of giving to a charitable beneficiary.

Endowment Life Insurance Policies - Make a charitable gift to an organization which purchases a policy in the donor's name. When policy becomes self-funding, it is then designated to a beneficiary consistent with donor's wishes.

Gifts of Appreciated Property - Includes real estate, timber rights, personal property, pension or retirement funds, and stocks and marketable securities, works of art and special collections.
