Message from Bishop Zubik

Dear Brothers and Sisters in Christ,

Every once in awhile we have an opportunity to do something extraordinary in our own lives and in the communities where we live, work and serve. We have the opportunity to 'go beyond ourselves' and step out of our day to day routines and really make a difference in the lives of each other.

Before returning to His Father, Jesus challenged His disciples to make such a difference as He engaged them to "Advance the Mission" by making disciples of all nations. He entrusts us with the same happy task.

Here in the Church of Green Bay, we have that opportunity through the Catholic Foundation and its new initiative, the Advancing the Mission capital stewardship campaign—to go beyond ourselves and grow the Church of Green Bay. In the areas of parish vitality, leadership development, life-long catechesis, evangelization and priestly retirement care we can make a difference for generations to come.

This "Advancing the Mission" campaign is a Stewardship campaign—marked by faith-filled prayer, service to our neighbor and generous sharing.

Stewardship as a Way of Life is not a new concept to the many faith-filled donors and friends of the Foundation. Over the past ten years, many of you have joined together to grow the Church by helping to establish more than 100 funds to benefit parishes, schools and other Catholic organizations. You've made annual gifts to the Bishop's Appeal. You've supported the good works of World Missions. You have become members of the Foundation's Leadership Society, which by its very existence, strives to 'go forth and make disciples.' Because of your generous commitment to the Church and the mission of Jesus, more people are learning about the Catholic Foundation and Stewardship.

Please join with me in celebrating the good works of the Catholic Foundation as we continue to "Advance the Mission" of Jesus Christ as He trusts us to do so.

Grateful for our belief that "Nothing is Impossible with God," I am

Your brother in Christ,

+ *David A. Zubik*

Bishop of Green Bay

Message from the Board

Dear Friends,

This has been an exciting year for the Catholic Foundation! There have been many positive changes and wonderful growth!

It is with great pleasure we report the Foundation has grown to include 100 specific funds totaling more than \$35,000,000 in assets! These are primarily endowment funds which directly support the mission and ministries of the greater Church of Green Bay. Many parishes, schools, individuals and organizations benefit from the helping hands of the Catholic Foundation.

In December 2005, a comprehensive legal review was completed. A number of recommendations were made and carried out to make us a stronger, even more donor-focused independent foundation. With these changes came new responsibilities. In addition to providing planned and deferred giving opportunities, the Foundation also manages the Lumen Christi Fund and conducts all of the diocesan wide fund-raising including:

- Advancing the Mission capital stewardship campaign
- Bishop's Appeal
- World Missions Services
- Retirement for Religious Collection
- Seminarian Collection

We are very excited about the new ways we are able to reach out to our Diocesan members. Annual gifts to the Leadership Society allow us to impact more people each year.

Thank you for your interest and response to the Catholic Foundation for the Diocese of Green Bay. Please consider a gift to the Leadership Society or to one of the many funds in the Catholic Foundation.

People like you have allowed the Foundation to thrive, grow and reach more people in search of Good News of our Lord Jesus. Again, thank you, not only for your generosity but also for the continuing faith you show in our Catholic Foundation and our Church of Green Bay. May God bless you and all those whom you love.

Sincerely,

Michael Ariens
