

WORLD MISSION SUNDAY

Hearts on fire,
feet on the move

"Were not our hearts burning within us while he spoke to us on the way and opened the Scriptures to us?" Luke 24:13

This Year's Theme: "Hearts on Fire, Feet on the Move"

Pope Francis invites us to set our hearts ablaze with faith and put our faith into action, serving God's mission with joy, enthusiasm, and tireless dedication.

"Hearts on Fire"

As Christians, we're called to kindle the fire of Christ's love in our hearts. Our burning faith fuels our actions, inspiring us to serve others in our daily lives.

"Feet on the Move"

Pope Francis encourages us to not only feel the faith but to act on it. It's our mission to move, serve, and spread the Good News, bringing God's love and peace to all His children.

What is World Mission Sunday?

World Mission Sunday is an annual global celebration within the Catholic Church, observed on the second to last Sunday of October. This special day is dedicated to the support of the missionary work of the Church through prayer and sacrifices.

Why Do We Celebrate it?

Established by Pope Pius XI in 1926, World Mission Sunday is an opportunity for every Church community worldwide to express solidarity with our brothers and sisters living in mission territories. The collection supports mission dioceses in Asia, Africa, the Pacific Islands, and parts of Latin America and Europe.

How to take part:

Prayers: Pray for the success of the Church's missionary efforts, missionary priests, religious brothers and sisters, and lay people. And also pray for the people served by them in Asia, Africa, Latin America, the Pacific Islands, and some regions of Europe.

Donations: Your financial support helps fund missionary activities around the world, such as:

- Training future priests and religious
- Supporting religious Sisters
- Empowering catechists teaching the faith
- Funding clinics for the sick and dying
- Providing homes for orphaned children

WORLD MISSION SUNDAY

Hearts on fire, feet on the move

Did you know?

The **Society for the Propagation of the Faith**, one of four Pontifical Mission Societies, was founded by French laywoman Blessed Pauline Jaricot in 1822. She planted the seed for what today is the **World Mission Sunday Collection** by asking her friends to pray daily and donate a penny a week for the missionaries working on spreading the Gospel to all nations.

The monies raised in 1822 supported the vast diocese of Louisiana, which then extended from the Florida Keys to Canada, as well as the missions of Kentucky and China. In the United States, we benefited from the collection until 1908. Throughout the years, we received the equivalent of over \$250 million today, while the dioceses in our country considered mission territories have continued to receive subsidies.

Fairbanks, Alaska, was the last of those dioceses and received its final subsidy payment this year!

Offerings support the formation of seminarians and religious men and women, assist in the construction of churches, schools and orphanages and help missionaries proclaim the Gospel and celebrate the Sacraments.

Pray the rosary for the missions this October!

The World Mission Rosary is a tool used to both pray and speak about the missions. Its uniqueness is in the five colors represented in each of the decades.

This rosary honors the work of mission, our call to be missionaries, and fosters peace through its special emphasis on each of the Earth's regions, where prayers are needed for all people who live and play and pray just like each of us!

The mysteries of the World Mission Rosary are the ones you know- joyful, sorrowful, glorious, and of light. Each color, however, represents an area in particular:

- **Green** – for the forests and grasslands of Africa
- **Red** – calling to mind the fire of faith that brought missionaries to the Americas (US, Canada, Latin America, and Native Americans)
- **White** – symbolizing Europe, the home of the Holy Father
- **Blue** – for the ocean surrounding the Islands of the Pacific (Australia/Oceania)
- **Yellow** – symbolizing the morning light of the East and the "beginning of civilization" for Asia/Middle East
