

The Impact You Make

The Bishop's Appeal funds are distributed across a number of Diocesan ministries and programs. This flyer provides some insights as to where and how your generosity supports various Diocesan programs and ministries.

Education & Catholic Schools

Supporting faith formation programs in our parishes and Catholic schools is another way the Bishop's Appeal helps the Diocese. Training and resources for programs bring the Catholic faith to 22,500 youth in northeastern Wisconsin. Through conversation, teaching and attending Mass, children of all ages have the chance to increase their faith and become the leaders of tomorrow.

Social Services Through Catholic Charities

Catholic Charities provides outreach services to thousands of people throughout northeastern Wisconsin. The counselors at Catholic Charities provide support to those searching for a lifeline of hope. Here are three of the many programs they provide to make a difference:

- Individual and Family Counseling Services includes mental health counseling for families, couples, and children;
- The Financial Health Program offers tools and guidance to help people learn responsible financial management;
- Adoption and Pregnancy Counseling provides support to birth parents, adoptive couples, and people with unplanned pregnancies.

Catholic Charities uses a sliding fee scale, so they are able to serve people who are most in need.

Parish & Family Life

The Parish & Family Life Mission Team seeks to form disciples and missionary leaders across the Diocese, working to win souls for Jesus Christ. We see this ministry through religious education programs for Catholics of all ages. This Diocesan ministry also provides support and resources for parish operations and mission planning to help enhance worship and to share Jesus with more people throughout northeastern Wisconsin. The team brings spiritual growth to all leaders through the great spiritual treasury of the Church.

Evangelization & Discipleship

This dynamic group calls all Catholics to develop a deeper relationship with Christ through faith formation programs. Evangelization & Discipleship offers workshops and adult faith formation programs designed to help people of all ages encounter Christ. This diocesan ministry also provides outreach to the Hispanic community in our Diocese.

On Mission Magazine

This is an important education tool for Catholics who are interested in learning about news from the Diocese and spiritual reading.

Bishop's Appeal

Only a small percentage of the funds collected went toward managing the Bishop's Appeal campaign within the Catholic Foundation. This supports the office staff responsible for developing, producing, and distributing the various Bishop's Appeal print and video communication materials.

Please prayerfully consider reaching out to others this year by making a generous gift to the 2024 Bishop's Appeal. Thank you for your support!
